Who are we?

SHOUT is an independent, non party political group who want the best for over 50s in the area. We get involved in local issues and make sure decision makers consider the needs of people over 50. There are lots of different ways you can get involved with us and have your voice heard. You're very welcome to join us at one of the monthly meetings held across the county borough. Our Facebook page is now live so please visit our page 'SHOUT Bridgend County' and 'Like' to receive updates about current meetings, issues and campaigns.

Why SHOUT?

We're often asked why we refer to ourselves in capital letters. It's more than trying to catch your attention. Each letter has its meaning and sets out our promise to those we work with and help.

SHOUT is:

S **Steadfast**
H **Honest**
O **Outspoken**
U **Understanding**
T **Trustworthy**

What do we do?

Our members want the very best for over 50s in Bridgend. We're pleased to work with local government, health providers and other organisations to help achieve this. Our members participate in consultations relating to the Bridgend area, Western Bay Health Board area and on national issues if they affect over 50s. Our Board members represent SHOUT and Bridgend over 50s on a number of working groups at a local and national level. Information is fed back to our members at our monthly meetings and through our Facebook page 'SHOUT Bridgend County'.

Our meetings

Our main monthly meeting is at 10am on the third Wednesday of the month at the Evergreen Hall, Angel Street Bridgend. We have a full programme of speakers and activities for these meetings. It's at this meeting that we discuss issues affecting Bridgend and our community. We enjoy a cup of tea or coffee and through lively debate and discussion decide what we want to speak up about. We also have groups in the Garw Valley and Kenfig Hill where our members discuss their local issues and socialise.
